

Thunder Warrior

Titan **MK-47**

Features:

1. More than 10 patents in USA, Taiwan, and China.
2. The first Non-Lethal, multi-function weapons in the world.
3. Magazines for 6 wireless electric stitch, 10 rubber balls or 10 pepper balls.
4. Non-explosive weapons.

Functions:

1. Fired wireless electric stitch:

MK-47 can fire 6 wireless electric stitch (in one magazine) continuously. Effective distance: 10~30 meters. Paralyze targets.

2. Fires Pepper balls:

A magazine can host up to 10 pepper balls. Fire continuously. Effective distance: 10-30 meters. The pepper balls explode after striking a suspect. They can cause eyes swelling, coughing, nose irritating, and skin rash, or even paralyzing the targets.

3. Fires Rubber balls:

Firing 10 rubber balls continuously, with effective distance of 10 to 30 meters, the MK-47 can deliver tremendous pain to the targets.

4. Mounting of Laser Guided Targeting Devices:

Help the users accurately delivering the non-lethal ammunitions to the targets.

5. Mounting of Intense Lighting Devices:

For glaring the targets eyes or for illumination.

Product specifications:

Size: 318mm (L) x 33.4mm (W) x 314.3mm (H) (including cartridges)

Weight:

Wireless electric stitch:

Input Voltage: 9 Volts

Input Current: 400 mA

Output Voltage: 2,000 Volts

Output Current: 0.0102 mA

Penetration: Penetrate clothing up to 0.5cm thick.

Pepper balls: Contains nontoxic chili powder.

Rubber balls: Plastic-coated shell with special rubber material inner layer for server pain upon impact.

Note:

Mounting of Intensive lighting and Laser targeting devices.

Power by 9V alkaline batteries.

Driven by high-pressure gas (12 grams).

(Not Illegal gunpowders)

Kinetic energy: 20 joules.

(Use only with original manufacturer parts.)

Muzzle velocity: 380 feet/second.
